Objective

To take ownership of end-to-end Odoo ERP projects—from requirements to deployment—while mentoring junior developers and supporting client success. My objective is to grow into a strategic technical as well as functional role where I can influence system architecture and long-term ERP planning.

Experience

Sr. Odoo Developer & Implementer.

CandidRoot Solutions Pvt. Ltd. (Ahmedabad)

(Duration: 01 December, 2025 to Present)

- Results-driven Senior Odoo Developer & Implementer with 5+ years of experience in designing, developing, customizing, and implementing Odoo ERP solutions across diverse business domains including Manufacturing, Trading, Retail, E-commerce, Education, Healthcare, Logistics, and Finance. Proven expertise in Odoo Community and Enterprise editions, delivering scalable business applications, workflow automation, third-party integrations, and complete ERP implementations from requirement gathering to post-go-live support.

Sr. Odoo Developer.

CandidRoot Solutions Pvt. Ltd. (Ahmedabad)

(Duration: 01 December, 2024 to 30 November, 2025)

- Highly skilled Senior Odoo Developer with extensive experience in designing, developing, customizing, and maintaining Odoo ERP solutions for businesses across multiple industries. Possessing strong expertise in Odoo framework development, Python programming, PostgreSQL database management, XML, JavaScript, OWL framework, and API integrations.

Jr. Odoo Developer.

CandidRoot Solutions Pvt. Ltd. (Ahmedabad)

(Duration: 01 December, 2023 to 30 November, 2025)

- Junior Odoo Developer with hands-on experience in Odoo ERP customization, module development, report creation, and bug fixing. Proficient in Python, PostgreSQL, XML, JavaScript, and Odoo framework concepts. Strong understanding of ERP business processes and eager to contribute to the development and implementation of scalable Odoo solutions while continuously enhancing technical expertise.

Odoo Developer.

CandidRoot Solutions Pvt. Ltd. (Ahmedabad)

(Duration: 01 December, 2022 to 30 November, 2023)

- Odoo Developer with experience in ERP customization, module development, API integrations, workflow automation, and business process implementation. Proficient in Python, PostgreSQL, XML, JavaScript, OWL, and Odoo framework. Skilled in developing scalable applications, troubleshooting complex issues, and delivering efficient Odoo solutions across multiple business domains.

Odoo Trainee.

CandidRoot Solutions Pvt. Ltd. (Ahmedabad)

(Duration: 22 July, 2021 to 30 November, 2022)

- Odoo Trainee with foundational knowledge of Python, OOP concepts, PostgreSQL, XML, JavaScript, and Odoo Framework. Currently gaining hands-on experience in Odoo module development, ORM operations, frontend and backend architecture, API integrations, and ERP business workflows. Passionate about learning enterprise application development and building efficient business solutions using Odoo technologies.
